

## Johns Eastern AIM 3.0 - SVAR Entry Guide

Johns Eastern Co., Inc. offers online access to clients for adding Student Visitor Accident Reports (SVAR). This can be done by navigating to the AIM 3.0 website located at: <https://johnseasternenterprise.jw-filehandler.com>

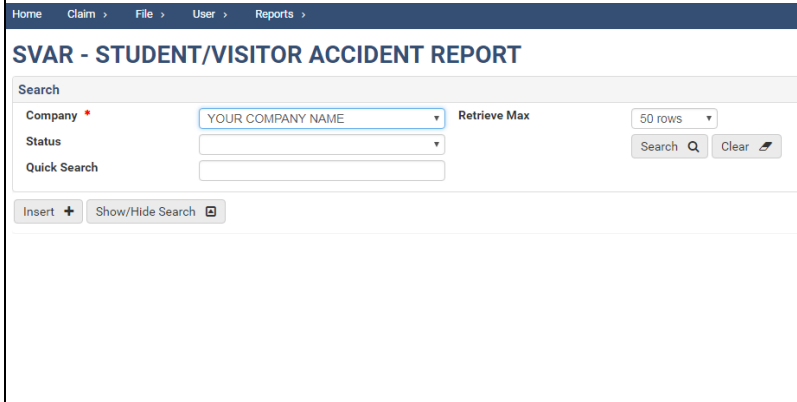

- **NOTE:** Chrome is the preferred web browser to use while using any JE services within the AIM 3.0 system. If using Internet Explorer, please ensure that this site is not among those listed in the compatibility view settings.

The instructions below will guide you through the process of adding a new SVAR, search for an existing SVAR, printing a SVAR report, adding, viewing and printing notes on a SVAR, or copying SVAR notes to an existing AIM 3.0 claim.

<p><b>Accessing SVAR Entry -</b> 1. Go to: <a href="https://johnseasternenterprise.jw-filehandler.com">https://johnseasternenterprise.jw-filehandler.com</a></p>	
<p>2. Login with the supplied username and password. If logging into the Johns Eastern system for the first time you will be required to reset your password. Initial first-time logins are generally Jeco1234 (Note that the J is capital).</p>	 <p>The image shows the AIM 3.0 login interface. At the top is a blue curved arrow logo above the text 'AIM 3.0' and 'Version 2.0.01.01 Build 4.0'. Below this is a login form with the heading 'Please log in to continue'. It includes input fields for 'User ID' and 'Password', a checkbox for 'Remove other sessions for this user ID.', a 'Log In' button, and a 'Forgot Password?' link.</p>
<p>3. Click on the menu link "Student or Visitor Accident Report".</p>	 <p>The image shows the 'AIM 3.0 MENU' with several categories: 'Claim Entry' (Work Comp (FROI), Non Work Comp Claim (GL,PD,Auto), Student or Visitor Accident Report), 'Reports' (Report Reader, Report Designer), 'Dashboards', 'Claim Search' (Claim Search), 'User Settings' (User Settings, Reset Password, Phrase Bank), and 'JE Help Desk/Support' (Email). A blue arrow points from the text in the left column to the 'Student or Visitor Accident Report' link in the menu.</p>

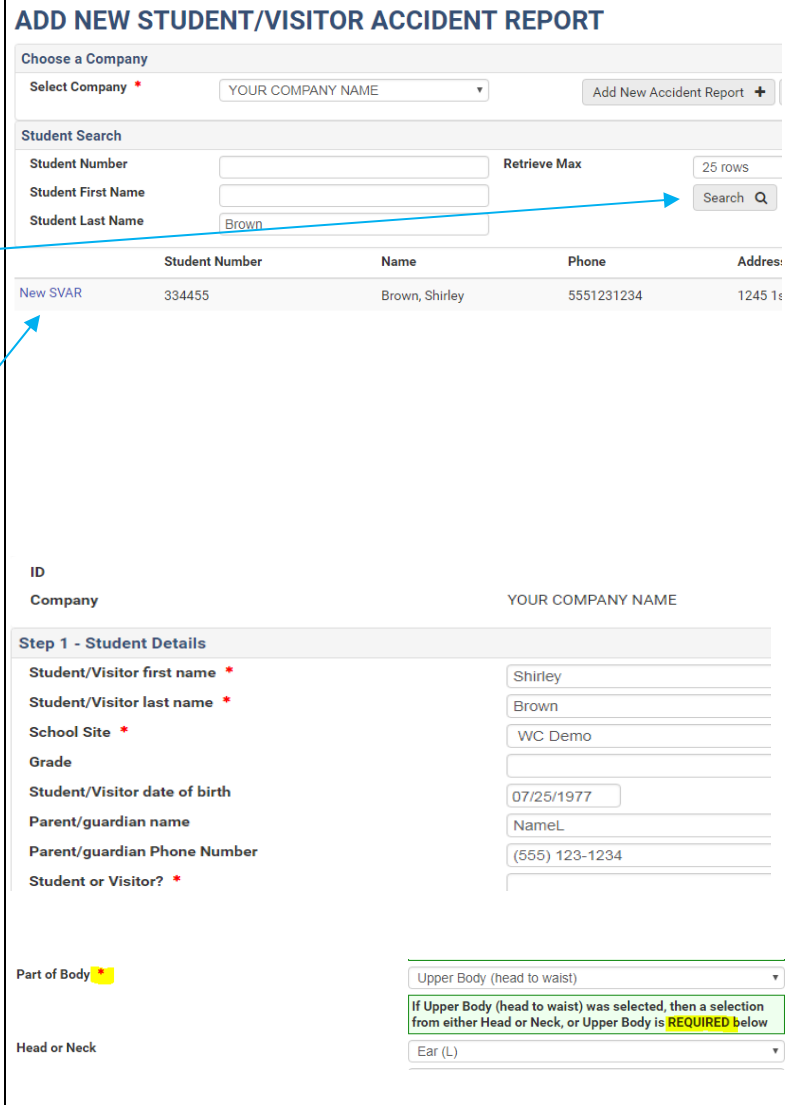

### Adding a New SVAR –

1. At the SVAR main screen, by default, your company name will be populated.
2. Click on “Insert +”. 
3. If your company utilizes the student prefill option proceed to section A below, otherwise proceed to section B below.

### Section A – Student Prefill

1. If your company utilizes student prefill data, type in the student number, first name or last name of the student, and then select “Search”. The results will be retrieved from records matched in our student database for your company. 
2. Locate the student record and select the “New SVAR” link. This will bring you into a new SVAR form with the student information auto populated. 
3. Review the prefill for accuracy, then complete the remaining steps/questions to complete the SVAR form.

**NOTE:** Fields with a red asterisk or labeled as “REQUIRED” must be addressed/completed.

**Section B -**

1. Select the “Add New Accident Report +” option.
2. Begin by typing in the student information in Step 1. Continue to complete the remainder of the steps of the SVAR.

**NOTE:** Fields with a red asterisk or labeled as “REQUIRED” must be addressed/completed.

Part of Body \*

Head or Neck

Upper Body (head to waist)

If Upper Body (head to waist) was selected, then a selection from either Head or Neck, or Upper Body is REQUIRED below

Ear (L)

**Saving a New SVAR –**

1. Once the SVAR record is completed, scroll back to the top of the form and select “Finish”. Upon saving a new SVAR record successfully, you will be brought back to the SVAR main screen where a message will appear at the top left corner stating, “SVAR successfully completed”.
2. If errors occur because the form is incomplete, the fields that are required will be highlighted in light red.
3. Go back and complete the required fields identified, then select “Finish” again.

**TIP:** While in the process of completing a SVAR, you may select “Save & Continue Later” if you need to come back at later time to finish the entry. Records that are saved but not completed remain in “Incomplete” status.

ADD NEW STUDENT/VISITOR ACCIDENT REPORT

Save & Continue Later Finish Cancel x Collapse

SVAR successfully completed.

Step 3 - Accident Details

Date incident occurred \*

Time incident occurred (hh:mm e.g. 09:00, 08:30, 11:00, etc.) \*

Date incident occurred is a required field.

Time incident occurred (hh:mm e.g. 09:00, 08:30, 11:00, etc.) is a required field.

### Search for an existing SVAR –

1. At the SVAR main screen select the status of the existing SVAR record using the drop down &/or type in the first or last name of the student if you want to limit the number of records retrieved, then select “Search”.

**TIP:** If you do not see the “Search” section in the main SVAR screen, click on the “Show/Hide Search” option.
